Dates	Times	Ages	Art Camp Themes	Description: Art will include, but are not limited to the following lessons:
June 6-8	1-4 p.m.	6-12	<b>BIG BANG ART</b>	Our Big Bang Art is focused upon creating maximum effects using color, techniques and our imaginations. Our Big Bang Artists create amazing artworks! Birds and buildings are brought about beautifully by burgeoning artists! Perspective, patterns, poses, and puzzles provide pizzazz! Still life stamps, symmetry, spider webs, spheres, and space stations certainly satisfy! Awesome architecture awes! Watercolor wow! Learn lots and create BIG in this Abrakadoodle series!
June 20-22	9-12 a.m.	3-5	<i>Ready, Set, Go!!</i>	Planes, trains, and automobiles! Cruise with Abrakadoodle through the world of art and have great fun along the way. Speed along a custom race track, set sail on a watercolor boat, and float way in a hot air balloon. Get in on the action. Don't let this fast-paced camp pass you by!
June 20-22	1-4 p.m.	6-12	<b>DISCO DAYS</b>	Get down and boogie as we travel to the days of Disco. We will make sure the 70's are Stayin' Alive with famous artists known for their colorful flare and smooth designs. Bring out the good vibes with your own groovy art!
June 27-29	1-4 p.m.	6-12	<b>Full S.T.E.A.M. Ahead!</b>	Calling all boys and girls who have a creative, curious mind and like to explore! Learn about how Science is an inspiration for many artists. Boost your imagination while you play and paint with magnets, explore robotic sculptures and Technology. Develop your Engineering skills and design your dream house! Create Artistic Math puzzles and much more while you ignite your creativity.
July 18-20	1-4 p.m.	6-12	<b>Wild and Wacky</b>	Get silly! Get goofy! Get creative at Camp Abrakadoodle Wild 'n Wacky Art! Learn about a variety of artists in this camp while using exciting materials and techniques. Transfer your energy into your art with fun art materials.
July 25-27	9-12 a.m.	3-5	<b>Little Fingers, Big Ideas</b>	We love little children who think BIG! Ideas know no limits in this special series dedicated to little artists! Reach for the sky on a cloudy day or moonlit night! Erupt with excitement over volcanoes! Stomp joyfully and tromp through time with massive creatures! Explode with celebratory color! Even explore the expanse of the universe! These big ideas tap into preschoolers' natural curiosity in the best way: the Abrakadoodle way!
July 25-27	1-4 p.m.	6-12	<i>Time Travelers</i>	We are taking a trip through time to learn about both wonderful historical classics and meaningful contemporary art. Our excursion takes us to the seventeenth century, where we will create self-portraits inspired by the beloved Dutch Master, Rembrandt. Then we are off to the nineteenth century to learn about French sculptor Auguste Rodin's skillful sculpting of hands. We'll fast forward to the present day to learn about abstract wire sculptures, puzzle-like landscapes inspired by American artist Darryl Norem. This trip takes us on a discovery of art through time.
