## PIKE ROAD MEAT AND GROCERY OPENING SOON AT PIKE ROAD STATION

The Town of Pike Road recently announced an agreement with a new retail tenant for the Pike Road Station civic and commercial complex. Pike Road Meat and Grocery-The Butcher Shop, will open soon in the end space opposite Sarris' at the Station.

With 16 years of experience owning and operating a grocery and butcher shop, owner Shane Williams and his family plan to offer a variety of products in a "mom and pop" setting that is fitting for the Town of Pike Road. The former owner of The Meat Store at Boylston Meat and Grocery, Williams' new independent grocery will feature fresh cut Black Angus beef and other meats, fresh produce, beer and wine and daily grocery essentials. In addition, the store will be home to a coffee bar and gift shop.

"Our family has been in the grocery business more than 30 years, and we are proud and honored to continue our business in the Town of Pike Road," said Williams, a Montgomery native and graduate of Troy University. "We hope all the residents of Pike Road and surrounding area are just as glad as we are and will come shop with us at the new store."

"We are pleased to welcome Pike Road Meat and Grocery to the retail mix at Pike Road Station," said Mayor Gordon Stone. "A small-scale, locally owned grocery in the Vaughn-Pike town center will provide citizens with another option for meeting their everyday needs. A local grocery store has been an economic development priority for us, and we are pleased with the good news that the Williams family are bringing their business to the Town of Pike Road."

Town of Pike Road Building Director Buddy Garland said build-out of the interior of the future grocery store is on track. A ribbon cutting will be scheduled when an opening day is determined, and members of the press will be notified.

The Pike Road Station complex is currently home to an ABC retail store, Nails Paradise, Subway, Sarris' at the Station, the Pike Road Branch Library and Pike Road Town Hall. The complex is located on Vaughn Road, just east of the intersection of Vaughn and Pike Roads.
