## **A Bright Future: Exciting Announcements for Pike Road Schools**

*We hope you will join us for a press conference on Wednesday, April 4.*

PIKE ROAD, Ala. – As the Pike Road School System (PRS) prepares to enter its fourth year in operation and welcome another class of students, Town of Pike Road and PRS leadership look forward to announcing new opportunities for student learning and system growth Wednesday, April 4 at 12:30 p.m. at the Pike Road Historic School (4710 Pike Road).

In the 2018-2019 school year, PRS will serve an eleventh-grade class, taking one step closer to providing a full K-12 public educational system. It is vital to a community to provide quality, innovative learning opportunities that prepare its young people to reach their greatest potential and prepare them for higher education and the work force. Together, the Town of Pike Road and PRS leadership maintain a collaborative commitment to providing students, teachers and administrators with the resources and facilities that make this possible.
