Montgomery native Barbara Davis worked in the banking industry while she sharpened her artistic skills and discovered her passion: painting en plein air. Now, she is well-known for her live, outdoor painting that captures the colors, shadows and light of special events and everyday moments. Join us Jan. 13, 2019 for an exclusive look inside her artistic journey at the 3rd installation of the Pike Road Arts Council's Art Talk & Afternoon Tea Series. These relaxing Sunday afternoon gatherings feature a Pike Road-area artist, classic tea-style refreshments, and time to connect with friends and neighbors. Refreshments are provided by Epicurean Delights. Tickets are \$20 each, and seats are limited. Please purchase tickets by Jan. 9. Previously, the Art Talk & Afternoon Tea series featured artists Elana Hagler and Carl Calderone. The fourth and final Art Talk & Afternoon Tea will feature artist Patricia Caldwell on March 10, 2019.

For over six years, Crossroads Theater has provided entertainment to the Town of Pike Road and surrounding communities, and we are excited to welcome renowned storyteller, Elizabeth Vander Kamp, on Feb. 9, 2019. In *The Long Road to Love - Stories of the Human Heart*, Vander Kamp exquisitely captures the complexities of love through one couple's dramatic story of discovery and longing. In the setting of a theatre company, two people meet, and it is love at first sight. A prior engagement and an on-stage love story create suspense that carries you through the years of their entangled lives...How will this story end? Join us Feb. 9 to find out! Tickets are \$20 each, and seats are limited.

The Pike Road Arts Council was formed in early 2012 as part of the ENHANCE Initiative. ENHANCE: A Vision with Focus is a detailed plan for accomplishing work in four key areas known as the town's Four Pillars: quality of life, planning, services and education. ENHANCE stresses the enrichment of quality of life, and includes organizations and projects related to exercise, nutrition, health, agriculture, nature and community education.
