Follow Your Heart Down the Yellow Brick Road

Presenter, Ronda Walker, Professional Trainer, Continuing Education and Outreach, Troy University

Procrastination and lack of preparation are the enemies of possibility.

We each have a natural passion, something that makes us dream big dreams. But how do we make those dreams become reality? Embrace your passion, reject the negative voices in your head, and be bold enough to step out into the unknown. There is something you've always wanted to do, and now is the time to do it! Join us as we discuss what it takes to follow your heart.

Take Away: How to prepare - gather the facts, build your team, and move forward, all with an emphasis on rejecting our natural bent toward procrastination and intimidation.

Seating is limited, and lunch is provided.
