Vendor Space Available Now for Community-Wide Yard Sale

Ninth Annual Community Yard Sale Benefiting the Pike Road Lions Club to be held at Pike Road Town Hall Apr. 27

Members of the Pike Road Lions Club are gearing up to host the ninth annual Community Yard Sale. This event will take place in the parking lot of the Pike Road Town Hall on Saturday, April 27 from 7 – 11 a.m., complete with music and concessions offered by the Pike Road Lions Club. Hundreds of shoppers are expected to stop by the yard sale – potential sellers, you don't want to miss out on this crowd!

Those interested in selling items at the event can reserve a space by visiting Pike Road Town Hall (9575 Vaughn Rd) from 8 a.m. – 5 p.m. on weekdays. Please note that vendor spaces are limited to yard sale items; vendors may not be businesses, and vendors may not sell food items. Spaces are \$25 for a standard parking spot size (9'x16'); tents, tables or electricity are not provided. If you plan to use a tent larger than 9'x16', you must purchase two spaces. Reservations are open to the public now through Thursday, April 25 at 5 p.m. Space is limited to 80 vendors, and no reservation will be held without payment. All vendor space proceeds benefit the Pike Road Lions Club.

The Pike Road Lions Club was formed in 2012 as the first civic club in the Town of Pike Road. The organization has nearly 35 active members who assist with numerous projects throughout the community. Thanks to events such as this yard sale, the group is not only able to contribute to national Lions Club charities, but also local causes that serve the people of The Town of Pike Road. In accordance with the Lions Clubs International efforts to defeat hunger, the Pike Road Lions will be accepting canned food donations benefiting a local food pantry during the April 27 Yard Sale.

"The Pike Road Lions are a growing, caring group serving the Pike Road community through initiatives like Adopt-A-Mile, providing childhood diabetes resources through the Pike Road Branch Library, and establishing a Leo Club within Pike Road Schools to encourage service and connectivity with Pike Road's young people," said Dennis Fonville, Pike Road Lions president. "Community Yard Sale proceeds will help us continue this work, as well as provide eyesight clinics, fight hunger with the Montgomery Area Food Bank, send children dealing with diabetes to Camp Seale, and other local and international endeavors."

"The Community Yard Sale is a great opportunity to connect with friends and neighbors, enjoy time outdoors, and support the Pike Road Lions Club. They do so much for our community," said Pike Road Mayor Gordon Stone. "We are thankful for the men and women who invest their time in the continuous enhancement of the Town of Pike Road community."
