A Note from Mayor Gordon Stone

“Summertime is an active season in the Town of Pike Road, and we know you’re all involved in community events and activities all around town. Thank you, Pike Road, for the way you connect with one another and stay engaged! We are excited to invite you to participate in upcoming events from the ENHANCE initiative.

Next week, join the Pike Road Business Association for Lunch & Learn. We’ll enjoy lunch from our local Publix, network with local businessmen and women, tackle generational differences and learn to build harmony in the workplace with the help of Troy University Continuing Education & Outreach. The Pike Road Arts Council also continues to host a variety of shows and classes, including the ongoing Art in Bloom Art Show. Later this summer, the Portraits of Pets art show will feature the furry friends we all know & love.

Then, don’t forget about SummerFest! Play, picnic, and show off your patriotic pride at this family-friendly event on June 30.

Stay in touch by finding us on social media – just search @townofpikeroad on Facebook, Instagram, and Twitter, and follow along as we continue to grow together.

As always, we will continue to pray for you, and we encourage you to pray for each other.

Thank you and God Bless.”
