A Note from Mayor Gordon Stone

“It is an exciting time in the Town of Pike Road, and we are pleased to wish all of our local students, parents, teachers, administrators, and other educators a happy start to the school year! We know the Pike Road Schools team has been working hard all summer long to prepare for another great year, and we are so appreciative. PRS students will return to classrooms next Wednesday, Aug. 10, and we can’t wait to see what Patriots of all ages accomplish and create this year.

Your support for our community’s schools is an illustration of the involvement and connectivity that makes the Town of Pike Road a special place to call home. So is the P.R.A.Y.E.R. (Pike Road Area Your Emergency Response) Team, which involves local faith leaders working together to meet the needs of our community, and we want to say thank you. This summer, the P.R.A.Y.E.R. Team created a meal program to assist families experiencing food insecurity over the summer vacation, when school meals were unavailable. Together, our local churches recruited and organized over 150 volunteers who picked up, packed, and distributed pantry items and meals. Every church in the Town of Pike Road participated, and, in partnership with the Montgomery Area Food Bank and our local Publix, they served hundreds of families across Pike Road. It has been amazing to see this project evolve from an idea to a successful program, all because of people coming together. Thank you, Pike Road, for all you do to show your love for your neighbors.

If you are looking for a way to serve the community, we encourage you to give back by giving blood today, August 5, at Town Hall. Nationwide, a shortage of blood donations is affecting the supply of this life-saving resource, and taking just twenty minutes out of your day to could give someone else the rest of their life. Stop by Town Hall to donate until 4 p.m. today, August 5.

More events and activities are happening across our growing community. Learn more, get in touch, and get involved by finding us on social media – just search @townofpikeroad on Facebook, Instagram, and Twitter. As always, we will continue to pray for you, and we encourage you to pray for each other.

Thank you and God Bless.”
