

Town of Pike Road
9575 Vaughn Road
Pike Road, AL 36064
December 17, 2020

A Note from Mayor Gordon Stone

“The Town of Pike Road is always a special place, but it is particularly welcoming, warm, and energetic during the holiday season. From celebrating together at the Christmas Tree Lighting to enjoying all the lights and creative displays on lawns across town, we appreciate how you engage and show your community spirit.

One of the joys of the holiday season is the opportunity to give gifts and share our love for one another. On Monday, Dec. 20, we hope you will join us in sharing from our abundance with our neighbors in need through both the annual Season of Giving Holiday Collections Drive and a Community Blood Drive, presented in partnership with LifeSouth. Stop by Town Hall from 8 a.m. – 5 p.m. to donate blood or drop off Season of Giving donations like hygiene items and non-perishable food items. For over ten years, your generosity has made the Season of Giving a successful collections drive showcasing the spirit of our community, and we are thankful to have the opportunity to continue this tradition in 2021. At this time, there is also an emergency need for blood donations in our area, and with LifeSouth, your donations stay local. Just 20 minutes of your time can help save up to 3 lives, making the holiday season a little brighter for even more of our neighbors. We encourage you to consider giving the gift of life this Monday at Town Hall!

With your help, the Town of Pike Road is also pleased to support the Montgomery City/County Emergency Management Agency in their efforts to provide a welcoming warming center for those in need of shelter during winter’s cold weather. Recent contributions to the EMA included kitchen supplies to help provide warm meals and warm-weather clothing items you have donated. Thank you, Pike Road, for all you do.

As the holiday season continues, we ask you to remember that COVID-19 is an ongoing challenge in our community and our state. Please continue to make smart, safe decisions as you celebrate all this time of year has to offer. One of the most effective tools to combat COVID-19 is vaccination. Initial vaccines and additional booster doses are free and readily available at multiple locations within our community, and individuals ages 5+ are eligible to receive the Pfizer vaccine. In addition, the Alabama Department of Public Health recommends that immunocompromised individuals receive a booster vaccine after they are fully vaccinated. Adults 18 and older are eligible to receive a booster dose six months after receiving their first Moderna or Pfizer shot, or two months after receiving the Johnson & Johnson vaccine. [Click here to learn more about COVID-19 vaccines and boosters and where you can receive yours.](#)

As we look toward 2022, we don’t want you to miss out on any upcoming activities. Visit www.pikeroad.us to subscribe to our weekly e-newsletter and receive town updates and event information. The weekly e-newsletter is just one of the many ways to stay connected to the Town of Pike Road, but we’re also on social media (just search @townofpikeroad), and we have a monthly radio show that visits local businesses and locations across Town. Tune in or stop by on Dec. 20 when the Mondays with the Mayor radio show broadcasts live from Town Hall!

As always, we will continue to pray for you, and we encourage you to pray for each other.

Thank you and God Bless.”
