FROM THE ARTS COUNCIL

The Pike Road Arts Council is proud to present the Pike Road Arts Center and Water House Gallery, a new home for the arts in the Town of Pike Road.

The Arts Council is a volunteer-run committee created through the Town of Pike Road ENHANCE Initiative in 2010. Our mission is to engage citizens who have unique gifts in the fine arts in sharing their talents to bring a greater overall appreciation of the arts to the community.

The Pike Road Arts Center provides designated space for classes, workshops, art shows, and more, so expect to see an assortment of arts-related activities and events offered throughout the year.

We hope to see you around Town soon!

Need a special gift? Don't forget the Water House Gallery!

located in the Pike Road Arts Center

A HOME FOR THE ARTS

A PLACE TO GATHER

The Pike Road Arts Center is centrally located in the Town of Pike Road, making it the perfect place for the community to come together! In addition to art classes, workshops, and shows, our facility will be available for celebrations such as birthday parties and Teas! Interested? please contact Arts Council Coordinator Patty Payne.

ENGAGING ALL ARTISTS

Let's play! We believe there is an artist in all of us, and we want everyone to dig in and experience the fun of creativity of art, no matter your experience level. We will be offering classes in painting – such as Beginning Oil Painting, workshops from accomplished artists, ceramics classes, crafting classes and quilting. If you have a specific interest, please let us know – we may have a class on that! We will also be partnering with Abrakadoodle and other local experts to bring arts-related activities and creativity into the community for all ages.

THE WATER HOUSE GALLERY

The Water House Gallery, located in the Pike Road Arts Center, will offer rotating displays of art for show and sale throughout the year. Local artists are invited to show their art for up to four months. Whether you're searching for the perfect gift or a unique piece for your home, stop by the Water House Gallery for a masterpiece with a local story.
