SATURDAY, MAR. 7: PIKE ROAD ARTS COUNCIL INVITES COMMUNITY TO 9TH ANNUAL ART MARKET *Community-Favorite Pike Road Tradition offers Something for Everyone – and Free Admission!*

PIKE ROAD, Ala – On Saturday, March 7, Pike Road Town Hall (9575 Vaughn Road) will be filled with unique artwork and handcrafted items from Alabama artists and artisans as the Pike Road Arts Council hosts its 9th annual Art Market. This free event is open to the public and will take place from 9:00 a.m. to 4:00 p.m.

This year's Art Market will feature award-winning artists whose wares range from traditional paintings to handmade jams and botanical skincare products, jewelry crafting and much more. We are pleased to welcome back the British Motoring Club of Montgomery, which will be showcasing authentic British cars outside, as well as to expand the event to include the Montgomery Humane Society. The Humane Society will have adoptable pets on-site, and they will also be accepting donations including towels, newspapers and dry pet food. [Click here for a full list of items!](#)

This unique event offers something for everyone from art enthusiasts to those simply looking for a relaxing Saturday activity with friends and neighbors. Those in attendance will have an opportunity to talk with the artists, take pictures of the cars, purchase the artists' work, and watch live painting demonstrations.

"Over the years, this event has grown to be a favorite tradition for both Pike Road residents and art enthusiasts in surrounding areas," said Mayor Gordon Stone. "We are blessed to have strong organizations like the Pike Road Arts Council, who take initiative to host events that are driven by residents' interests."

The Pike Road Arts Council was formed in early 2012 as part of the ENHANCE Initiative. ENHANCE: A Vision with Focus is a detailed plan for accomplishing work in four key areas known as the town's Four Pillars: quality of life, planning, services and education. ENHANCE stresses the enrichment of quality of life, and includes organizations and projects related to exercise, nutrition, health, agriculture, nature and community education.
