"Thank you, Pike Road, for the active and enthusiastic support you illustrate for our hometown. Now, it's Spring Cleanup time in the Town of Pike Road, and we ask for YOUR help! All month long, we're participating in the annual Alabama People Against a Littered State annual Spring Cleanup, and it's all about keeping our special hometown beautiful. We encourage you to gather a group of friends, coworkers, neighbors, etc., and choose a location to beautify. We'll provide all the supplies you need to help pick up litter around the Town of Pike Road. The Spring Cleanup is one of our most important activities each year because it brings our community together to protect and preserve the natural beauty of our special hometown. Please join us in this effort to show our Pike Road pride!

What makes the Town of Pike Road home to you? What are the local places you want to protect through the Spring Cleanup? We want to know! Share your favorite photos and activities with us on social media by using the hashtag #mypikeroad. We'll be looking out for your pictures to share in our e-newsletter and on our digital billboard on Chantilly Parkway!

For more upcoming events, connect with us online to stay in-the-know. Just search @townofpikeroad on Facebook, Instagram, and Twitter, and follow along as we continue to grow together.

As always, we will continue to pray for you, and we encourage you to pray for each other.

Help Us Pick Up Pike Road: Annual Spring Cleanup Begins Today, April 1!

The Spring Cleanup is happening now and throughout the month of April! We are excited to host this annual beautification initiative in partnership with Alabama People Against a Littered State. The 2022 Cleanup will run throughout the month of April, and we hope you will join us in the fight against litter!

Gather your friends, family, coworkers, neighbors, or work alone. All you have to do is choose a location to pick up - we'll supply everything you need to help beautify our community. Is your family, neighborhood, class, organization, or business interested in participating? Let us know! Contact Community Involvement Coordinator Katy Brasfield at katy@pikeroad.us register or to learn more. You can also call 334.272.9883.

How to Participate:

- Connect with Community Involvement Coordinator Katy Brasfield (katy@pikeroad.us) so that we can prepare the right number of kits and the roadway/area you have in mind so that we can prepare a recognition sign! You can also provide this information at sign-in when you pick up your kit.
- Supply kits and walk-in registration are available for pickup on weekdays in April (8 a.m. - 5 p.m.) at Town Hall (9575 Vaughn Rd) and Founders Station (4902 Pike Rd).
- Pick up your area, and drop off your trash collections at Town Hall or Founders Station for us to dispose of. If you pick up more than one area, or if you pick up a different area than you planned, feel encouraged to let us know so that we can recognize your team with a sign in the appropriate location(s).
- Tip: Wear bright colors on your pickup day so you are more easily visible to drivers.
- Bonus Points: Share photos of your pickup crew with us on social media by using #mypikeroad and tagging @townofpikeroad! Or, email photos to info@pikeroad.us.

This Weekend and Thursday, April 7: *Art All Around Us* Still Life Art Show Continues at the Pike Road Arts Center

There is art in everything if you know how to see it! This weekend, explore the beauty and meaning behind everyday objects through the "[Art All Around Us](#)," a [still life art show](#) at the Pike Road Arts Center (944 Wallahatchie Rd).

Find the perfect piece to spruce up your home for spring or pick up a gift for a friend - stop by on Saturdays and Sundays, as well as next Thursday, Apr. 7!

Visit During Open Hours:

- Saturdays, 10 AM - 4 PM
- Sundays, 1 - 4 PM
- First Thursday of Every Month (Apr. 7), 5 - 7 p.m.

About the show, from Arts Council Coordinator Patty Payne: "Still life art evokes meditation. It is sometimes a challenge to determine what was the artist thinking when the scene was put to the canvas! ... Think of all of the objects around you, why do you keep them? Perhaps for their color (think of pottery), their age (think of an old pair of Aunt Annie's gloves), or their memories (think of the homerun baseball). Still life art provides a bridge to our memories. Artists will bring life to still life art through lights and darks and create the mood they wish to evoke for the viewer. Light is unbelievably complicated to portray and artists spend endless hours perfecting the skill! Sometimes, the object of the art is not in the object at all, but in the reflections, or what is behind the art."

This event is presented by the Town of Pike Road Arts Council. For more information about the Arts Council, or to schedule an appointment to visit the Pike Road Arts Center outside of open hours, please contact Pike Road Arts Council Coordinator Patty Payne by emailing patty@pikeroad.us.

Down to Earth Day Connects Community with Sustainability in the Agricultural Industry

We had the privilege and the pleasure of hosting Down to Earth Day at the Pike Road Agriculture, Recreation & Performing Arts Park yesterday, Mar. 31! This event, presented by a variety of agricultural organizations, served as the kickoff of a year-long campaign focused on sustainability in the agricultural industry and the contributions of the industry to our home state. Agriculture affects nearly every aspect of our lives, and we want to say thank you to the Down to Earth team for choosing the Town of Pike Road to host this meaningful event.

To start the day, Pike Road Intermediate School students learned all about agriculture through educational activities and displays. Then, following a press conference featuring Governor Kay Ivey, the event was opened up for families to learn and enjoy together! Thank you to everyone who came out to the Ag, Recreation & Performing Arts Park for this event. We hope you enjoyed this opportunity to explore this new facility!

Recycling Updates: Recycling Depot Open Again with Regular Hours

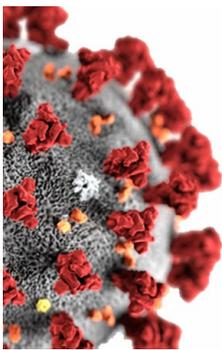

The Town of Pike Road Recycling Depot has reopened with regular hours (opens Tuesdays at 8 a.m. and remains open 24 hours/day until closing at 5 p.m. on Thursday). Thank you for your patience and understanding during the recent closure.

For updates and more information about the

Town of Pike Road Recycling Depot, [please click here or visit our FAQ page.](#)

COVID-19 Reminders

COVID-19 INFORMATION AND UPDATES

As we begin the new year, COVID-19 continues to significantly affect our community and our state. Data from the Alabama Department of Public Health shows high community transmission of the COVID-19 virus in Montgomery County and all of Alabama, indicating that the virus is actively spreading statewide. With this in mind, we encourage you to be thoughtful and make smart, safe decisions that help protect your health and the

health of those around you. ADPH has released updated guidance for what to do if you test positive for COVID-19 or if you are exposed to someone who is COVID-19 positive. [Click here for a quarantine & isolation flowchart.](#) [Click here for more detailed information and timelines.](#)

One of the most effective tools to combat COVID-19 is vaccination. Initial vaccines and additional booster doses are free and readily available at multiple locations within our community. Individuals ages 5+ are eligible to receive the Pfizer vaccine. In addition, the Alabama Department of Public Health recommends that immunocompromised individuals receive a booster vaccine after they are fully vaccinated. Adults 18 and older are eligible to receive a booster dose six months after receiving their first Moderna or Pfizer shot, or two months after receiving the Johnson & Johnson vaccine. [Click here to learn more about COVID-19 vaccines and boosters and where you can receive yours.](#)

Thanks for Sharing YOUR Pike Road!

It's a beautiful season in the Town of Pike Road, and we love to see the views you discover. Thank you to [The Dana Farm](#) for sharing these bright, budding trees with us using #mypikeroad!

Share YOUR activities by using #mypikeroad and tagging [@townofpikeroad](#) on social media to be featured on our billboard, in our e-newsletter, and on our social media!

*Reminder: Posts must be set to "public" for our team to see them.

Save the Date!

Take advantage of digital activities during the ongoing season of social distancing! [Click here to view several upcoming activities on our website.](#)
