THINK. INNOVATE. CREATE. *THE PIKE ROAD WAY.*

Free Curbside Meal Pickup for ALL children 18 years and younger

In an effort to support our local community through this school closure, the Pike Road Schools Child Nutrition Program will offer free meals to students who need them. Meals will be available for curbside pickup only on Monday, Wednesday, and Friday between the hours of 11 a.m. and 1 p.m.

During this time, we will offer a limited selection sack lunches and breakfasts that are ready to eat. Children 18 and under who use this service will be provided two breakfast and two lunches each day **while supplies last**.

It is VERY important that you refrigerate any milk, sandwiches or lunchables that are not eaten immediately. Cold foods will spoil and make you sick.

Please note, out of an abundance of caution, we will not be allowing students or families to enter the school during meal pickup times and meals must be consumed off site.

Curbside meal pick up will **begin on Wednesday, March 25th**.

No paperwork required.
